News Release  
NASCAR CONFEDERATE FLYOVER  
September 5, 2020

In response to the ongoing Cancel Culture hysteria gripping the nation, the Sons of Confederate Veterans continue its Confederate Air Force Flyover at NASCAR and other events. On Sunday the 6<sup>th</sup> of September, the Sons of Confederate Veterans sponsored two flyovers. These flyovers consist of a plane towing a giant Confederate Flag and one of two messages: Defund NASCAR or SCV.ORG. One flyover will take place in Darlington, SC at a NASCAR race, and the other flyover will be over the coast of South Carolina.

These flyovers and many other such events sponsored by the Sons of Confederate Veterans are in response to the ongoing neo-Marxist effort of cultural cleansing of the South. The Sons of Confederate Veterans stand firm against those promoting intolerance and willful ignorance against any group, including the South. The ongoing anti-South attack of half-truths and intolerance is threatening to destroy all Southern history and culture. This we will not allow. Unfortunately, in today's America the South is the only minority that is discriminated against by being denied the right to celebrate its heritage. Our defense of the South is merely an extension of the Biblical command to "Honor thy Father and Mother". Our ancestors are part of our family. As Chief Joseph of the Nez Perce nation once noted, "A man who would not love his father's grave is worse than a wild animal." Southerners are not "wild animals" but lovers of their God and family. As such, we will continue to defend the good name and heritage of our family's ancestors.
