America's Secession Holiday

This is Radio Free Dixie, and I'm Marc Allen! It's the fourth of July! And, it's time to celebrate American Independence and to be thankful for the freedom our ancestors gained for us in 1776. Most Americans celebrate the 4th without even realizing they're celebrating one of the most successful secession movements in history! [pause] Yes, that's right, secession! [pause] The 1776 Joint Declaration of Independence is a secession document. America seceded from Great Britain by declaring that we the people have a God-given right to alter or abolish an oppressive government and establish a new one in its place. The right to secede is a God-given, unalienable right. The Sons of Confederate Veterans invite you to learn about America's Secession holiday by visiting our website, MakeDixieGreatAgain.com. [pause] That's MakeDixieGreatAgain.com.
